RESUME

NAME : DEVI VADDEMPUTI

EMAIL ID : VADEMPUTIDEVI128@GMAIL.COM

PHONE NO : +91-7989280405

Professional Summary:

   Experienced in data analytics with respective knowledge of reporting, data preparation and data processing and managing data repository's and adhoc analysis with the help of SAS & SQL. worked as a data analyst managing the BLG portfolio in terms of providing business teams and with analytical insights.

WORKING EXPERIENCE:

- In my previous organisation, My onboarding day was NOVEMBER 18TH 2022 AND Last working day was JUNE 7th2023.
- I have worked as a SAS DEVELOPER at MRESULT and I have 7 Months experience as a DEVELOPER.
- And knowledge in DRILL DOWNS and making individual mailing list.
- I have done some project like TODMN (Temporary over draft), EXPRESS_CREDIT AND DROP.
- Key SAS reports and dashboards through my self-taught coding:
  - Developed reporting assessing the vintage for customer base and analyzing the performance of individual customer, based on the credits made by the individual. Filtering the accounts where decrease in credits was observed and resulted as a risk to the bank.
  - Developed a code for providing Early Warnings in the form of various triggers in which the assets might lead to a non-performer to the organization and hence turning into a risk.

Project Details:

- I worked on CORPORATE REPORTING TEAM DEPARTMENT – on CURRENT ACCOUNTS.
- In this Department ,My team is BUSSINESS LONE GROUP(BLG).
- In this team I developed Report that is TEMPORARY OVER DRAFT, AND EXPREE CREDIT AND DROP.
- On the business requirement , they do provide BRS(BUSSINESS REQIUREMENT),on the basis of BRS ,I developed SAS, and SQL programs.
